

British Airlines Galleries Lounge

Description:

10,000 SF build out of British Airways Galleries lounge located on the Mezzanine Level of Terminal B. Galleries, which is the airline's most sophisticated lounge theme, aims to replicate an art gallery like experience for its first class and business class travelers. Elegant surroundings offer deep, luxurious upholstered furniture featuring exclusively designed fabric, high-end custom wine wall, first class seating and dining area and two deli/coffee back bars. The west side of lounge includes the unique horseshoe bar with pendant lighting which overlooks the Main Terminal. The lounge also comprises the VIP section for first class passengers with a full service kitchen and open servery.
