

CapRock 7th Floor Speculative Suites

Description:

This modern, sleek 23,000 SF space is just one part of our extensive, multi-floor renovation at CapRock in Bethesda, MD! This floor holds seven speculative suites and a spacious, comfortable common room with a staircase connecting the 6th and 7th floors. Our team removed the existing floor slab to install the staircase, conveniently located for easy flow between levels.

Details:

Location:	Bethesda, MD
