

# Lisner Auditorium Revitalization

## Description:

Historic Lisner Auditorium has long been a premier venue for GWU and the greater Washington, DC community, perfectly suited to host a wide variety of events. Our team enhanced this iconic space with upgraded GWU-branded seating, fresh paint, millwork, electrical, flooring, HVAC, and AV infrastructure. Unique features include the ADA-compliant bar seating in the rear of the auditorium, and the sleek aisle lighting that provides both safety and ambiance.
